

**MAHARISHI SCHOOL**  
CONSCIOUSNESS - BASED EDUCATION

Wednesday, 18 March 2020

Dear Parents and Carers,

In class, this week has been assessment week for Year 6 children. As your child has been unable to attend school I have put their papers together that they would have completed had they been in school. These packs are on their way to you via the post. The children may recognise these papers as they completed this set of papers at the beginning of the school year. By repeating these papers, it will indicate the progress they have made throughout this academic year. Therefore, please hand these papers back to school when your child returns.

Where possible, it would be ideal if the children could sit these tests under test conditions. The instructions for each test can be located on the first page of each booklet.

I have provided all the equipment they may need to carry out these tests.

If your child has been in for part of the week then I will just provide the papers that they have missed.

Thank you for your continued understanding,

Mrs Gaskell,

Year 6 Teacher

Headteacher: Mrs L Edwards BA(Hons), PGCE.
