

MAHARISHI SCHOOL

CONSCIOUSNESS - BASED EDUCATION

9 April 2020

Dear parents and carers,

We hope that you and your loved ones are keeping well during this time. The staff here at school miss our wonderful children very much and look forward to the time when we can all be back together in school again.

Our online contact with your child has reduced over the Easter break, although Mrs Ingram is still running her Dungeons and Dragons games online and our group TM sessions are continuing. We have amended the time of the afternoon session to 4:30 as this seemed to suit people better. Morning TM continues to take place at 9:40.

We have been sent a number of useful links that we'd like to pass on to you:

BBC Bitesize

From the 20th April, BBC Bitesize are going to be holding daily lessons on their website. <https://www.bbc.co.uk/bitesize/articles/zn9447h>

Audible

Amazon has cancelled subscription charges for books and audio stories for children and students of all ages, for as long as schools are closed. Young people can instantly stream an incredible collection of stories, including titles across six different languages. [All stories are free to stream on your desktop, laptop, phone or tablet.](#)

British Library

The British Library has made its 'Harry Potter - A History of Magic' exhibition virtual and free:

Many thanks to those of you who have sent in pictures or videos of your child for the school website and social media. These, and all our latest news, can be viewed at <https://maharishischool.com/> We have really enjoyed seeing your 'rainbow' pictures and being able to see some of the fun activities that you've been able to do at home together. Please keep these coming!

May I take this opportunity to wish you and your family a safe and happy Easter weekend. I will be in touch again soon. In the meantime, please do not hesitate to contact me at any point during the school closure and I will get back to you as soon as I can.

With warmest wishes

Lisa Edwards
